

# How to use a DVD player

**Task 4: Complete the text with the missing words that you can find from tasks 3 and 4**

Dear Melinda!

I am going to visit my brother's family in Manchester. You are welcome to stay in my house. You can use everything you need. There is a new DVD (1)\_\_\_\_\_ in the living room. Let me tell you how to use it. First, (2)\_\_\_\_\_ the power button to (3)\_\_\_\_\_ on the player. Then, (4)\_\_\_\_\_ the open-close button to open the disc tray. You can (5)\_\_\_\_\_ up to five discs into the disk tray! Finally, (6)\_\_\_\_\_ the play button to play the disc. Don't forget to press the power button to (7)\_\_\_\_\_ off the player when you don't use it. It is a very good player because you can (8)\_\_\_\_\_ the track by pressing the pause button or (9)\_\_\_\_\_ a track by pressing the skip button. You can also (10)\_\_\_\_\_ the player with the remote control. It is on the coffee table. You need to (11)\_\_\_\_\_ the batteries in the remote control. Please, (12)\_\_\_\_\_ the remote control with care! Don't drop it and don't (13)\_\_\_\_\_ water, tea or other liquids on it. Remember to (14)\_\_\_\_\_ the discs in the (15)\_\_\_\_\_ disc cases. I hope you will enjoy our player. See you soon.

Best wishes,  
*Amalia*
