A DAY OUT AT THE MONKEY FOREST

SCRIPT

It was a half-term school break. On Wednesday, I took my children to the Monkey Forest in Trentham Gardens. We went there by bus. We came to the Monkey Forest at about 10 a.m. I paid £7 for my ticket and £5 for my daughter's ticket. My son could enter the park for free because he was 2 years old. We spent there about 4 hours and we had a really good time. We saw many different monkeys. I took a lot of pictures of my children in the park. Then we had a lunch in a café. There were few souvenir shops in the park. I bought a mug for my daughter and my son chose a toy. We thought it was a great day out. When we got home, my children told their father about the park. They felt very happy.
