It was a half-term school break last week. On Wednesday, I took my children to the Monkey Forest in Trentham Gardens. We went there by bus. We got to the Monkey Forest at about 10 a.m. I paid £7 for my ticket and £5 for my daughter's ticket. My son could enter the park for free because he was 2 years old. We spent about 4 hours there and we had a really good time. We saw many different monkeys. I took a lot of pictures of my children in the park. Then we had lunch in a café. There were few souvenir shops in the park. I bought a mug for my daughter and my son chose a toy. We thought it was a great day out. When we came back home, my children told their father about the park. They felt very happy.
